Option 1: "Peace" - 12 bird release

Option 2: "Love" - 2 bird release

Hand Held or Basket Release available. From 2 - 12 doves. The safety of our birds is the greatest concern to us. We will not jeopardize the health and well being of our birds. All dove releases are contingent on weather and other "acts of God" which might compromise the safety of our birds.

All Releases are completed 3 hours before sunset. The birds will not be released inside any buildings. We only use birds that are highly trained by a professional handler. However, birds that can be purchased in a pet store have not been trained and WILL NOT survive if released. Whether used for release or display we are against the inhumane use of birds.

*Heavenly Harmony* has the right to determine whether or not the location is inappropriate or harmful to the birds in any way. Birds will be booked on a first come, first served basis. Initial deposit is non-refundable. The Purchaser agrees to pay half of the fee (non-refundable) at the time of signing this agreement and will submit the balance by post-dated cheque. Initial deposit will secure desired booking date. **Book early to avoid disappointment!**

Dated at \_\_\_\_\_, this \_\_\_\_\_ Day of \_\_\_\_\_, 20\_\_\_\_\_.
